Mr. Thomas Nicholson, of Bellaire, will hereafter direct the destinies of the Wheeling base ball club.

Mr. Howell states that he will be given full power to brace up, weed out, or engage new players as his judgment dictates.

Mr. Nicholson is no stranger to the Wheeling base ball public, and will, no doubt, add strength to the team and treat the "fans" to some new experiences. He is a gentleman in every sense of the word, and his large experience in the sport will stand him well at this critical period in the history of the Wheeling team. He assumes charge to-day, and will be in the game himself.

The history of the team's trip abroad would be interesting if it could be written here. Mr. Howell had almost insuperable difficulties to contend with, but it would accomplish no possible good to retail them at this moment. Let us hope a new and brighter prospect opens with Mr. Nicholson's assumption of the management.

Play ball!
The record made away from home is not so disgraceful when it is remembered that the New Castle team in good form, and without a single crumple or "invalid" only won three games during the same time Wheeling chalked up four victories.

Now, everybody root. We will be happy yet.

AN EASY MARK.

Poole Allows Six Hits in the First Inning and the Subsequent Proceedings are not Worth Relating.

The Wheeling club will never learn by precept. At Fort Wayne the Wheeling players were treated to a sermon in the morning last Sunday, and in the afternoon they held a very convincing discourse with "Pebble Jacks" Hoosters. Since then it seems that the scepter of victory has departed from them.

It not only seems. It is.
After being ignominiously shut out by Dayton on Monday without a hit, the team returned to the Island Park yesterday afternoon and suffered another defeat at the hands of the "Old Soldiers."

The first inning tells the story. Poole appeared to be careless, and six hits off his delivery with a total of ten bases, scored five runs. The rest of the game was tame and without feature, except that Poole woke up and only allowed four hits during the remaining eight innings.

Moore, an amateur Columbus pitcher, was in the box for Dayton, and did right well in his practice game on Wheeling. He has good speed, but few curves and his control of the ball is poor.

Dayton thinks he is a corner. He will be murdered the next game he pitches.

The detailed score tells the story:

When a Chinaman becomes a criminal, the law punishes his parents and even the grandparents. This is only the extreme logical application of the doctrine of heredity. In this country, we leave natural law to deal with its own offenses, and many a mother is punished through the physical weakness and peevish temper of puny offspring.

Women mainly err through ignorance. They enter the marriage state already disordered by irregularity of the periods. The delicate and sensitive organs, particularly feminine, are in no condition for the shock which is consequent on the great change.

Drains that are offensive and debilitating are set up, inflammation and ulceration with female trouble are added in time, and when motherhood comes the strength of body is inadequate, and the condition of mind unfit, for the responsibility. The natural result is a child that is unhealthy and unsuited.

Happy wifehood, healthy motherhood, beautiful children, all follow the use of Dr. Pierce's Favorite Prescription. It stops the drains, allays inflammation, heals ulceration, cures female trouble, soothes the nerves, and puts the delicate female organs in a condition of perfect health. Dr. Anzie Blacker, of 609 Catherine Street, Syracuse, N. Y., writes: "Your medicines have done wonders for me. For years my health was very poor. I had four miscarriages, but since taking Dr. Pierce's Golden Medical Discovery and 'Favorite Prescription,' I have much better health, and now I have a fine, healthy baby. I have recommended your medicines to several of my friends and they have been benefited by them."

Women find valuable help in Dr. Pierce's Common Sense Medical Adviser. Sent free on receipt of stamps to pay cost of mailing only. Send at one-cent stamps for the book in paper binding, or 31 stamps for cloth binding. Address Dr. R. V. Pierce, Buffalo, N. Y.

BRIDGEPORT HAPPENINGS.

Events of a Day in the Town at the End of the Bridge.

The Rock Hill Coal Company, which has been for several years operating on the lands of Nathan Holloway, are busily engaged in tearing down the props in the portions of the mines not now in use. They are still operating a portion of the mines and will continue to mine coal for probably a month. The abandonment of this mine does not mean that the Rock Hill Coal Company will not engage in the business in the future, for they are owners of a tract of land consisting of ninety acres, located directly south of their present mines and it is stated upon good authority that they will soon open a mine on their own territory. This will be gratifying news to their present employees, who had thought that the abandonment of the mines on the Holloway lands meant a permanent suspension of work at that place, which, however, is not the state of affairs. The mines are running half time now, because they can't get sufficient cars to ship their coal.

FATAL ACCIDENT AT FLUSHING.
Peter Tene, an employee of the Rock Hill Coal Company, at Flushing, met death while at work in the mines Monday. He was engaged in tearing down the props in the mines, (preparatory to the abandonment which has been previously stated in the Intelligencer), when he had extracted all but one prop and was engaged in loosening it. Before he could get out of the road, it fell upon him, badly mashing his body. He lived only a few hours and never regained consciousness. He had only been in this country a short time and leaves a wife and four children, residing in the old country. Coroner Beetham held an inquest yesterday afternoon and decided that death was accidental. The funeral will occur at Flushing this morning at 9 o'clock. The remains will be brought to this city on the Cleveland, Lorain & Wheeling road and interred at Linwood cemetery.

BRIDGEPORT BRIEFS.
